

Hi,

God Bless you.

Well, a new year has begun and we each have a role in God's story.

I was granted release on Nov. 13<sup>th</sup>, I'm at the RUMI halfway house in Richmond, I got a job in construction on Nov. 25<sup>th</sup> and should be moving into my own apartment mid-Feb. God is definitely good.

Pass on this Good News to the Kairos teams at Augusta Core. Center and the Kairos

members who still come in for REUNIONS.

Thanks for all  
you've done—  
I really  
appreciate it!

Together in Christ
