Dear Kingsway Outreach,

Thank-you very much for my Birthday Card and thinking of me. It really means a lot. I got it on that exact day 14 Aug. I do really enjoy Kingsway Prison Ministry and look forward when you come on church nights. And Ms. Jennings you truly are a very special blessing and all that you do & are doing and all the volunteers. Always know that our Great Lord is watching & taking all account what you all do & is very pleased. I do very much appreciate all that you do for all us that are in prison. God bless you and all the volunteers and keep you all in His love and strength and in the power of His excellent Spirit.
