

February 17, 2022

Dear Louise Jennings and Volunteers,

Something most extraordinary happened on Monday, February 14, 2022. As I was ascending to the mountain top to see the Lord, I discovered that He was hastily descending the other side.

However, when I returned to the valley, I found my Valentine from Kingsway Outreach and all was well again.

Yours most gratefully,

Donald Everett Strait  
Augusta Correctional Center
