

Dear Kingsway Outreach, Ms. Louise Jennings.

Praise God from whom all blessing flow, Amen. The Lord has laid on my heart the need to contact you, and let you know how I am doing. You have been very kind to me. I know that you are doing the work of the Lord Jesus. It has about 10 or 12 years now since we last saw one another face to face. Yet, praise God, by His Spirit we are still connected. I thank you for all you have done. Be here for me. Not forgetting anyone. Being an example to everyone of Christ love. We know that times have changed. Not the love of God.

My mother went home to be with the Lord 7 weeks ago, due to cancer. I don't need to tell you what a strong pillar Phyllis Ann Hughes Fitzgerald was to me and my family. Mom also lived her life as a servant and friend of / to Jesus. She would have been 81 on Dec. 16. 20. I am thankful to have this woman in my life, and that God did not allow her to suffer very long before her passing.

As for me, God is blessing me with His word, and people like you. Glory to His name! I continue to stay / study the word of God. Hopefully I can do something in the House of God, (Lord willing) and that's when I go home. Meanwhile, I am doing, or God has allowed me to do His will (have good positive fellowship) right now here in prison. Continue to pray. Thanks
