

Dear Louise,

I remember you very well, you seem to find me wherever I am. I wanted to thank you for the birthday card, and all the cards you have sent me throughout all these years. Thanks for being a child of God. I know this must be quite a bit of work, and to let you know it hasn't been unnoticed. So I wanted to thank you personally and all of Kingsway. May God be with you all.

Keep me in your prayers and I will pray for you.

Tim H.
