Hello Louise & Volunteers,

I ask Jesus to keep all of you safe and blessed everyday. I pray Psm. 91 for all of us. In Jesus name and love, Amen.

Now, let me say, "Thank you." That is from the heart. I really appreciate the gifts you sent Emily, especially the kids bible. I worry so much about her needing to know & hear & see all about Jesus. I use to pray when we lay in the bed. Once she said, "Can't we just send Him a text." I tried not to laugh & just continue to pray but I lost it.

She is a very smart child. Teachers & everybody, go on & on about her. She read to me on the phone once when she was about 7yr. old. And I said, "wow you read really well." She asked if I wanted her to read the last page? I said, "yes." She did, & I ~~said~~ asked how many pages. She said something like four hundred ninety two. I said wow! Four hundred and ninety two. She said no, just 492, don't suppose to say, and. OK 😊

- over -

I really want all of you to know, I
appericate you all & Thank you. Honestly,
from my heart.

Love & Prayers
Sidney
