

May you be blessed by the Lord, the Maker of heaven and earth.

PSALM 115:15 NIV

Louise,

Blessings to you & your family. And all the Kingsway brothers, sisters, & their families also. Hope all of you are doing well. Thank you for the great Christmas service. It was so good to see all of you and spend the time in fellowship once again. God is good!

Was very sorry to hear of the chaplain's passing. I grieve for his family. But I have to rejoice for him. No more sickness, sorrow, or pain. In the presence of our Lord for eternity. WOW! He is truly at the best location.

I sent an email to Mrs. Burke. Hope it was some encouragement to her. He is truly, greatly missed. We

had meet together one or two, him & I many times over the years. Shared our joys & sorrows. Prayed over the prison, church, and for one another & our families, many times. He was truly, not just my chaplain and brother in Christ but a good friend. With the numbers high in the world with covid, don't **SEW MUCH!!** Know when we'll be able to see you all again. And you all are greatly missed. But we must continue to trust God as we go forward each day. And keep our eyes on JESUS, the author & the finisher of our faith. Regardless of whatever is going on, we are richly blessed. And there are lessons & blessings each & every day. Take care.

In Christ, Terry Fortune
